

Certified Global Business Professional (CGBP) Trade Certificate Program at Bryant University

For companies in the global trade arena, the International Business Certificate Program at Bryant University provides an opportunity to increase efficiencies, maximize effectiveness, gain expertise in global commerce and excel as a global competitor. For individuals, it gives you a distinction and nationally recognized credential to expand your world of opportunity in this expanding field.

Upon successful completion of this certificate program, you will earn a Bryant University Certificate, learn and demonstrate proficiency using best practices in the field of international business in the four core areas: **Global Business Management, Global Marketing, Supply Chain Management, and Trade Finance and Compliance**. We will also prepare you to sit for the CGBP (Certified Global Business Professional) exam administered by the nationally renowned NASBITE organization (www.nasbitecgbp.org). The national exam date following our course is June 13, 2007 in Boston, MA.

Learn this *Global Business Body of Knowledge (GBBOK)* in this fast track curriculum taught by Bryant faculty professors and industry experts. Become empowered to take your professionalism to the next level by preparing to sit for the CGBP exam. This course is also designed for those who are transitioning to a new career or for those who seek additional knowledge to enhance their contribution to their organization. Discounts will be considered for multiple registrations within an organization.
